Hi Leila,

As promised I wanted to follow up on a few details after our call yesterday. I will be sending the invitation over to you for your teams' approval in the next few days. I am waiting on internal approval and as soon as I have that I will send it your way. The hotel has provided me with their security team's contact info which I have provided below. If there is any additional information you need from me in the meantime please don't hesitate to reach out. Thank you!
